Education

Indiana University, Bloomington, IN - May 2023 Graduation

Bachelor of Science in Computer Science

Minor: Informatics

Technical Skills

Languages: Python, Racket, Java, C/C++

Platforms: UNIX, Microsoft Windows

Databases: SQL, NoSQL

Web development: HTML/CSS, JavaScript, MERN

Miscellaneous: Data Structures, Adobe XD, Git, Excel

Projects

Portfolio website:

February 2021

- Using HTML/CSS, I created a website to highlight myself and my experiences.

MERN application

June 2021 - July 2021

- Using MERN, I made a simple application where you can make a post. From this, I gained a basic understanding of MERN and how it works.

Website for the nonprofit organization “My Chosen People”

October 2021 - March 2021

- With help from my team, we made a website for the nonprofit organization “My Chosen People”. I was responsible and in charge of each phase where we used Git to collaborate, Adobe XD to design, and HTML/CSS and JavaScript to make the website.

Stocks Predictor

February 2021 - Current

- My partner and I made an algorithm to predict stocks from Kaggle datasets. We used Python to unpack and make sense of the data. Which we then used to predict the trajectory of the stocks.

Work Experience

Culver’s Franchising System, LLC - Brownsburg, IN

March 2019 - February 2020

- As a crew member at Culver's, I worked as a front-desk cashier, drive-thru cashier, and trained other crew members. With the efforts of my coworkers and myself, we were responsible for maintaining the 3rd busiest Culver's in Indiana.

Licensed Life Insurance Producer - Indiana

July 2021 - Current

- As a life insurance field agent, I help people find the right life insurance policy for their situation.

Involvements

President of National Society of Black Engineers (NSBE) at Indiana University

May 2021 - Current

- As President of NSBE, I provide the overall direction of the club.

Council of Luddy Office of Diversity and Inclusion (LODI) at Indiana University

August 2021 - Current

- As a council member of LODI, I help foster a welcoming environment that includes individuals from diverse backgrounds, cultures, identities, abilities, experiences, and interests.

Member of United Council for Equity (UCE) at Indiana University

October 2021 - Current

- As a member of UCE, we help promote equity to everyone on campus.
